I also have carefully read and I agree that the Yagya or donation, as it is for a spiritual undertaking, therefore I will not hinder or force to stop the Yagya in middle and also shall not ask any partial or complete refund of my donated amount once paid or Committed to pay. I hereby also solely confirm that the information provided by me in any mean are correct, complete and accurate. I also understand very well that Yagya is a spiritual activity and like the Pandits I also have good faith in Vedic Yagyas and Vedic Mantra. However I may expect betterment after performing the Yagyas but I shall not bind the organization and the Pandits or any relevant person to certify the results in a visible mode. Moreover I also understand that Yagya only supports when I make efforts and hereby I also promise to do more than required efforts to make sure getting best support of Yagya.

Some standard but not limited terms and conditions, I agree that

1. The Yagyas shall be performed according to the terminology, arrangements, standards, methods, definitions & regulations which is made by the Scholar Pandits of Ved Bhawan and partners and is revised time to time. I agree that any interference shall not be entertained.
2. The Yagya shall be absolutely religious and Ved Bhawan shall not include any black magic or such other stuffs, nor such pressure shall it accept too.
3. The Yagyas never support for my negative intensions. I am aware that it is always positive. Likewise it gives more or less but always positive influence on the person for whom it has been performed. The expectations what I have, is positive, possible, applicable on me and not an over-ambition or over-reaction of mine. I fully deserve for that and shall perform at full requirement or more if needed to achieve the target with help of Yagya.
4. I have contacted and requested for the Yagya myself and nobody has forced or insisted me to do this Yagya or to perform this with Ved Bhawan / Ved Bhawan International
5. I am also aware that in some cases Yagya doesn't work so much. Ved Bhawan or I, no one can make sure that the Yagya shall help. I still request for the Yagya understanding, better to have something than nothing or better to have tried than not tried.
6. The donations will be spent over my Yagya, Pandits but a small part shall also be spent on other research works for further studies in the field of VEDA. Therefore I understand that it will absolutely not be possible to refund any part or total of the donation before or after the Yagya.
7. I understand that a donation is a volunteer term of payment which is my own willing whether to pay or not but as Ved Bhawan undertakes a big activity, it pays to Pandits for me in advance which costs a lot of money, therefore, I accept that a donation is a compulsory term for my undertaking and I shall have to make donation in any situation if I commit to pay or if Yagya is undertaken or already scheduled.
8. The Yagya Costs which is virtually called donation but technically is the actual cost of organizing whole Yagya and that gets defined in each case on the basis of the quantity and duration of Yagya. This cost must be paid and I am aware that this is non-refundable. I also agree to pay the costs of Yagya I have committed to pay in the future or if I have used credit facility of Ved Bhawan. By signing this agreement I authorize Ved Bhawan and affiliate to recover this credit from my given payment data or take appropriate methods to recover the committed amount by me.

9. The Yagya is our moral duty to perform if once decided (Confirmed) or the Samkalp (oath) is taken. So I know that it is absolutely impossible to stop the Yagya in middle in any situation.
10. I am aware that in need the organization has right to bring changes in schedule, Pandits and Mantra or its quantity I will be informed.
11. I understand that according to Veda, Astrology and experiences, the Yagya normally doesn't work after its validity while it is possible that a problem is not completely resolved. In such cases I may be advised to repeat or perform more / same Yagya to get sufficient effect, however I may decide myself whether to honor the advice or not.
12. We trust in God and Veda, that's why we trust also in Vedic Yagya as it has been a part of our life in our experiences but I haven't been advised to expect a magic from it. It takes time to work. But as I believe, more or less, it works
13. In Yagya the decision of Pradhan Pandit (Head Pandit) shall be final however it also shall be enforced by the decision of Head of the department or the council or the president of Ved Bhawan or of all together.
14. For any dispute only Delhi jurisdiction shall be accepted.

A complete copy of agreement is available to view, download and print on www.vedbhawan.com/terms.html
